How does School Fee Plan work?

Once you have successfully completed the application, we make a payment to your child's school for the fees. This can either be for just one term or for all the terms in the academic year. Each month you make a payment to us to cover the cost.

Is there a charge?

Yes, a transaction fee is payable on the advance and is illustrated in this example:

- Termly School Fees: £5,000
- Transaction Fee: £95.00 (1.9%)
- Total Amount Payable: £5,095.00
- Repaid over 4 months at: £1,273.75
- Representative 3.5% APR variable.

You can find an accurate calculation for your child’s school on our website: [www.sfpschoolfees.co.uk](http://www.sfpschoolfees.co.uk) just search for your child’s school using the search bar.

How long do the repayments continue?

The repayments are spread equally over the length of the term. If you pay for one term, there will be four instalments. If you pay for the entire year there will be twelve payments. You can choose to apply termly and can withdraw at the beginning of the next term with no penalty.
