Breaside Preparatory School

Admissions Policy

September 2020

1 Policy Statement

- 1.1 We welcome applications for admission from pupils of all backgrounds. This policy applies to all pupils, including those in our Early Years Foundation Stage. We admit pupils with an additional educational need and/or disability provided both parents and school conclude that we can provide appropriately for the child's specific needs.

2 Enquiries

- 2.1 All enquiries and applications should be made to the Registrar. The Registrar will respond to your enquiry and provide with all the information you need.

3 Visits

- 3.1 Prospective parents are encouraged to visit to see the school in action and to meet the Executive Principal. We aim to host an Open Day each term which is an opportunity to tour the school on an informal basis. Alternatively you might like to make an appointment for a personal tour. Please contact the Registrar or the main school office to arrange this.

4 Registration

- 4.1 Following a visit, parents wishing to register their child should complete a Registration Form and return it with a payment for the Registration Fee. The Registration Fee covers the cost of administering the registration procedure, including the waiting lists and is non-refundable. Registration is an indication of interest and is not a guarantee of a place.
- 4.2 The school will respond by confirming that the child's name has been placed on the waiting list for the appropriate term and year. Places are subject to availability and in some instances assessment. A place is confirmed once a formal offer has been made by the school and a deposit has been received in return.

5 Admission to Nursery

- 5.1 Children are welcomed into the Nursery from two and a half years. No formal assessment of children is undertaken but the child may be invited to spend a few hours in one of the classes, if appropriate. Additionally, parents may be asked about their child's general development and any identified special educational needs prior to a place being offered. Places are not automatic, in some rare cases a place will not be offered if we deem a child's development is below expectation or that they will not flourish in the environment we offer.

6 Attendance in Nursery and Pre-prep

- 6.1 Children entering our Kindergarten classes from the age of two and a half years old are required to attend for three full days, preferably consecutive and subject to availability. Children entering our Pre-Prep classes, in the year prior to Reception, are required to attend full-time.

7 Taster Days

- 7.1 We offer Taster Days as an opportunity for children to visit our school and take part in assessments in readiness for potential entry into our school.

8 Transition from Nursery to Reception

- 8.1 Transition from Nursery (age 3-4) to Reception (age 4-5) is automatic. Children are assessed by way of ongoing observations of their learning and development. Children on our waiting lists for entry into Reception will be invited in for a formal assessment of their cognitive ability by participating in a range of age appropriate activities.

9 Transition through Year Groups

- 9.1 It is anticipated that all pupils will transition through the school and reap the rewards of the education on offer. Should this prove not to be the case, parents will be informed of any concerns at the earliest opportunity and at the latest before the end of the Spring Term if there appears to be any reason why the pupil may be refused a place in the subsequent year groups. In rare cases it may be that a pupil's progress or behavior means that transfer to the next stage of the school is not deemed appropriate.

10 Admission to Other Year Groups

- 10.1 Subject to Registration and places being available, children can join the school at any stage. However, places are also subject to assessment. If a place becomes available, an invitation will be sent out for the child to attend a taster day, upon a formal offer being made by the school and receipt of a deposit to secure the place. Places are not automatic, in some rare cases a place will not be offered if we deem a child's development is below expectation or that they will not flourish in the environment we offer.
- 10.2 Overseas pupils may be required to undertake a language proficiency assessment before a place is offered. This includes a written assessment and may also include an interview in person or via electronic media.

11 Allocation of Places

- 11.1 In the event that the number of children registered for any year group exceeds the places available, the following procedure will be applied:
- Siblings in the school
 - Results obtained in standardised tests
 - Length of time the child has been registered
 - For a child entering the Nursery, a child requiring a full time place may be given priority over a child requesting a part time place, provided sufficient sessions are available.

12 Offer

- 12.1 The parents of each applicant will be informed within 48 hours of the child's taster day (where appropriate) whether a place will be offered. The school will not be obliged to state its reasons for declining a request for admission.

13 Waiting List

- 13.1 If no place is available, parents may place their child's name on the waiting list for the school. The school cannot guarantee when a place may become available.

14 Appeal

- 14.1 There is no appeal process for admission to the school. The decision of the Executive Principal is final.

15 False Information

- 15.1 Where the school has made an offer of a place on the basis of a fraudulent or intentionally misleading application, which has effectively denied a place to a child with a stronger claim, the offer of a place will be withdrawn.

16 Overseas Pupils/Pupils with English as an Additional Language

- 16.1 We welcome pupils from a wide variety of cultural backgrounds, including overseas pupils and those with English as an additional language (EAL). Children entering the School must have an appropriate working knowledge of English and parents must be committed to supporting further English study at their cost, if necessary.

- 16.2 Overseas pupils are required to have a guardian who is resident in the UK and who can act on behalf of the parents, if required.

17 Equality

- 17.1 The school pays due regard to the Equality Act 2010 and reasonable adjustments are made for pupils with special educational needs and/or disabilities.
- 17.2 Subject to our entry requirements being met, we welcome pupils with special educational needs or physical disabilities. We advise parents of children with special educational needs and/or physical disabilities to discuss their child's requirements with the school before registering for a place. This will enable the school to determine whether the school can make reasonable adjustments to ensure that the child can flourish as a learner. Where necessary, parents will be asked to provide a copy of an Educational Psychologist's report or a medical report and the school may need to discuss provision with external agencies. The cost of such reports is the responsibility of the parent. Where specific provision is required, parents may be asked to pay an additional charge to meet these needs (staffing and/or resources). In some cases, the school may receive funding from the local authority to provide additional support.

18 Admissions Register

- 18.1 The school maintains an Admissions Register in line with regulatory requirements. See Admission, Attendance and Children Missing from Education Policy for further detail of statutory requirements.

19 Cancellations

- 19.1 Please refer to the school's website for further details.
